

LIMITED WARRANTY

ALPHA expressly warrants, for a period of one year, all components manufactured by ALPHA, or for ALPHA under ALPHA's control and direction, to be free of defects in material and workmanship, subject to the products being installed per ALPHA's instructions and being used under normal conditions and service.

ALPHA's only liability for breach of this expressed warranty is, at ALPHA's cost, to repair or replace such defective components.

This limited warranty supercedes all others, written or verbal.
